

OFFICIAL SCOUTING TRYOUT

BARCELONA - SPAIN

FROM JANUARY 2ND TO 8TH, 2023

ORGANIZED BY :

#WEAREFOOTVIA

Footvia Sports Academy, located in Barcelona, Spain, is an innovative program aimed to prepare and elevate players and coaches from all over the world, to reach their highest level.

We offer the opportunity to foreign players to train directly with professional clubs in Barcelona to be evaluated and signed.

Playing in Spain at a professional level is very difficult and demanding but it is an excellent place to develop as a football player and become a more complete soccer player and better prepared to play at a professional level.

ACCOMMODATION

Cambrils Park is a resort in Cambrils located 1.5 km from the beach, 2.7 km from Salou, and 11 km from Reus.

In this exceptional resort on the coast of Tarragona you will find all kinds of comforts and services such as themed swimming pools, restaurants, sports area, fitness & spa, shopping area.

Cambrils Park Sport Village is located less than 10 minutes walking from the football fields and offers all the facilities that a top athlete would need, including a wide range of accommodation to provide maximum comfort and privacy.

SPORTS CENTER

Our professional facilities have 12 football fields, 11 of which are endorsed by UEFA and FIFA. These include natural and artificial grass fields, to satisfy the technical needs of any team. In addition, we also have a multipurpose rugby field and 2 beach soccer fields.

Our facilities also include a mini stadium (with capacity for 1000 people) a professional gym, 24 changing rooms, classrooms for theoretical sessions and a bar/cafeteria.

The Mediterranean coast gives us over 300 days of sunshine a year and very mild winters. This makes Futbol Salou a privileged location to celebrate training camps, tournaments and friendly match fixtures.
